

CAPITOL CENTRE

2025-26  
SEASON  
BROCHURE

*Welcome to another exciting season of creativity and spectacle,  
comedy and story-telling, the list goes on!*

Each year, we are thrilled to present a new program of shows, an engaging lineup of exhibits, and ongoing opportunities to collaborate with community partners. As the cultural heart of North Bay, we offer our patrons, artists and community members an environment that inspires, creates and showcases performing and visual arts.

We are pleased to welcome so many Canadian artists to the Capitol Centre with a special Oh Canada series featuring a diverse mix of Canadian patriotism and talent! We are also excited to celebrate the City of North Bay's Centennial Anniversary with a commemorative exhibit in the WKP Kennedy Gallery and a Centennial Screening Series in the Betty Speers Theatre. This year, we have expanded the shows offered to local schools and students thanks to a very generous sponsor – more information on the Rotary Club of North Bay's Education Series included in this program.

We have some big events coming up, starting with the Bay Block Party 2025, which the Capitol Centre is proudly co-hosting for the first time. Our annual fundraiser has evolved over the years, now rebranded as Benefit Bash, yet it still promises the same exciting experience with top-notch entertainment, delicious samples, and auction items up for bidding—all in support of community outreach and engagement that benefits both members of the community and local arts organizations.

This upcoming season will introduce you to new stories, diverse cultures, emerging artists, and talented superstars. None of this would be possible without the generosity of Capitol Centre sponsors, members, and volunteers who dedicate their time and resources. We are also incredibly fortunate to have a skilled and engaged staff who form the backbone of this organization.

This season, as always, has been thoughtfully curated with you in mind! We aim to present a wide range of multi-disciplinary performances that appeal to everyone—from our littlest audiences to first-time visitors and our loyal supporters. We truly appreciate your continued support and eagerly anticipate welcoming you back. Enjoy the show!
